

<p>114</p> <p>1 -- that's what it states?</p> <p>2 A. Yes.</p> <p>3 Q. And the date of that letter is what?</p> <p>4 A. January 2004, 28th.</p> <p>5 Q. Did my client come forward and make a</p> <p>6 full and complete disclosure as to where it</p> <p>7 was purchasing the Australian Gold and</p> <p>8 Swedish Beauty tanning lotions?</p> <p>9 A. I don't believe so.</p> <p>10 Q. So it, maybe, really was a request.</p> <p>11 In fact, ETS, Inc. did not sue my clients</p> <p>12 following this letter or at any other time</p> <p>13 until we filed our complaint first; is that</p> <p>14 correct?</p> <p>15 A. Yes, you filed your suit against us.</p> <p>16 Q. Is that because Ice -- I'm sorry. Is</p> <p>17 that because Australian Gold had no actual</p> <p>18 proof that my client was purchasing its</p> <p>19 products from distributors?</p> <p>20 A. From my recollection, it was because</p> <p>21 we were in the middle of an appeal on the</p> <p>22 Hatfield case and we have limited resources</p> <p>23 and budgets and we had to pick our fights at</p> <p>24 that point in time.</p> <p>25 MR. COLEMAN: Exhibit 10.</p>	<p>116</p> <p>1 other than a tanning salon?</p> <p>2 A. I don't think I can answer that,</p> <p>3 because I wasn't involved in this at that</p> <p>4 point in time.</p> <p>5 Q. When did you get involved in this?</p> <p>6 A. May or June of 2004 when we started</p> <p>7 making the switch.</p> <p>8 Q. What's the switch?</p> <p>9 A. ETS and Australian Gold as two</p> <p>10 separate entities.</p> <p>11 Q. Uh-huh. Who would know whether or</p> <p>12 not Australian Gold had proof that would</p> <p>13 suggest that our client was purchasing</p> <p>14 merchandise directly from distributors since</p> <p>15 you have testified that you would not know?</p> <p>16 A. I don't -- I don't know off the top</p> <p>17 of my head.</p> <p>18 Q. But would it be one of the people who</p> <p>19 was copied on Exhibit 9? Would William Pipp</p> <p>20 know that?</p> <p>21 MR. MATTHEWS: Objection to the form</p> <p>22 of the question.</p> <p>23 MR. COLEMAN: What's the form</p> <p>24 objection?</p> <p>25 MR. MATTHEWS: Calls for speculation.</p>
<p>115</p> <p>1 (The Court Reporter marked a document</p> <p>2 for identification as Exhibit No. 10.)</p> <p>3 Q. Have you ever seen Exhibit 10 before?</p> <p>4 A. Yes, I believe it was in the file.</p> <p>5 Yes, I believe so. It's in the files.</p> <p>6 Q. In fact, Exhibit 10 is a letter from</p> <p>7 my office to Ice Miller dated January 29,</p> <p>8 2004, in response to the previous exhibit.</p> <p>9 In the second paragraph towards the middle</p> <p>10 the letter says, "If your client believes it</p> <p>11 has some bona fide reason to think that our</p> <p>12 client is lying, we would like to know what</p> <p>13 it is; our client will readily rebut it</p> <p>14 without recourse to the courts." This was</p> <p>15 in response, I'll represent to you, to the</p> <p>16 assertion in the previous correspondence that</p> <p>17 our client was purchasing from -- directly</p> <p>18 from a distributor.</p> <p>19 Did you have such proof at the time</p> <p>20 that you could have provided in response to</p> <p>21 the January 29, 2000 -- in response to</p> <p>22 exhibit -- Exhibit 10? Did you have proof</p> <p>23 at the time this letter was written that</p> <p>24 Australian -- that that my client was</p> <p>25 purchasing tanning lotion from -- from anyone</p>	<p>117</p> <p>1 How does she know what William Pipp --</p> <p>2 MR. COLEMAN: Because she is the</p> <p>3 30(b)(6) designee, she --</p> <p>4 MR. MATTHEWS: I -- I don't see</p> <p>5 anywhere it says anything about</p> <p>6 communications between us. Has nothing to do</p> <p>7 with these -- these letters and -- and even</p> <p>8 your client in our efforts just -- with</p> <p>9 respect to your clients.</p> <p>10 MR. COLEMAN: Okay.</p> <p>11 MR. MATTHEWS: I mean, I'm not trying</p> <p>12 to be difficult, Ron, but that's --</p> <p>13 MR. COLEMAN: No, that's -- that's a</p> <p>14 fair -- that's a fair point. We could set a</p> <p>15 -- we could certainly send interrogatories on</p> <p>16 -- on -- on the William Pipp mystery.</p> <p>17 MR. MATTHEWS: Let -- let -- you know</p> <p>18 what? Let -- let me just -- let me do this.</p> <p>19 In proof -- and she may -- I don't want to</p> <p>20 testify for her, but if you're asking her</p> <p>21 why do they think your clients are buying</p> <p>22 from distributors, she can probably answer</p> <p>23 that question. When you say "proof," you're</p> <p>24 thinking do you have -- what did you have in</p> <p>25 your evidence file.</p>

<p>1 MR. COLEMAN: Okay. Well, that's a 2 fair point. Maybe we'll come around to it 3 that way at some point. 4 Q. But what I am trying to figure out is 5 at the time that we requested in January of 6 2004, what did you have proof, with a small 7 p, why did you think -- can -- we can 8 rephrase it. 9 Why did Australian Gold think that my 10 client must have been purchasing from a 11 source other than -- than tanning salons? 12 Do you know the answer to that question? 13 A. Generally speaking, I couldn't go 14 into a salon today that had every product 15 that's listed on that Web site. So to buy 16 it from a salon, they don't carry every 17 single product generally, and every single 18 product is listed on there, so he's buying 19 it from more than just -- in our opinion was 20 buying it more than just one person. 21 Q. Do you know how many salons carry 22 Australian Gold products in the New York 23 area? 24 A. I could get the list. I don't know 25 off the top of my head.</p>	<p>118 1 for identification as Exhibit No. 11.) 2 Q. May we assume you have seen Exhibit 3 11 before? 4 A. Yes, you may. 5 Q. This letter is a letter from you, 6 isn't it? 7 A. Yes. 8 Q. What was it that happened between 9 early 2004 and the date of this letter 10 February 22nd, 2005, that got Body Source 11 back onto your radar? 12 A. There are several things. A few of 13 them are -- of which are I became president 14 of Australian Gold and part of that process 15 we analyzed our business, we were looking at 16 our strengths, weaknesses, opportunities and 17 threats, and as part of that, the integrity 18 of Australian Gold with regard to Internet 19 came up and we decided to budget a portion 20 of our revenues to relook at the whole 21 Internet process -- the Internet sales 22 process more aggressively. 23 Q. Was this letter -- was this letter 24 vetted by counsel before it was sent? 25 MR. MATTHEWS: Objection. Invades</p>
<p>119 1 Q. Would it be more than ten? 2 A. Yes. 3 Q. Would it be more than 50? 4 A. At that point I don't know. I don't 5 know how many in New York City. 6 Q. But it was your opinion that -- 7 perhaps it remains your opinion; you'll tell 8 me -- that anyone who carried that wide 9 range of products could not have gone from 10 salon to salon buying boxes of tanning 11 lotion? 12 A. We find it -- thought -- thought it 13 unlikely. 14 Q. Why don't you -- do you know why 15 Australian Gold or its attorneys never wrote 16 back and said, "Mr. Coleman, here is why we 17 think that. We think it's more product of a 18 broader range of merchandise than could 19 conceivably have been purchased from a single 20 or even a number of tanning salons," do you 21 know why no such letter was ever sent? 22 A. Here again, I wasn't involved. I 23 can't answer that. 24 MR. COLEMAN: Exhibit 11. 25 (The Court Reporter marked a document</p>	<p>121 1 the attorney-client privilege. I'll instruct 2 her not to answer. 3 Q. The previous letters, Exhibits 9 and 4 6, refer to trademark infringement. Exhibit 5 11 does not refer to trademark infringement. 6 Why is that? 7 A. I -- probably because we didn't have 8 the attorneys -- I mean, we just were doing 9 this on our own trying to work through the 10 process. 11 Q. What does it mean that Australian 12 Gold would -- starting the middle of the 13 first sentence. I don't think I'm 14 mischaracterizing it. "Will take whatever 15 steps that are necessary to ensure that our 16 products remain a premium product in the 17 tanning industry." What do the -- what does 18 the word "remain a premium product" mean? 19 A. To me, the -- the ultimate quality 20 products that are sold in salons, that they 21 aren't flea market quality products, they're 22 the top of the line -- 23 Q. Does -- 24 A. -- from an integrity. 25 Q. Does the quality of the product</p>

<p>1 differ depending on where it's purchased? 2 A. It's the reputation. If you can buy 3 a Rolls Royce at K-Mart, it's not the same 4 as buying a Rolls Royce at the Rolls Royce 5 dealer. 6 Q. Is it against the law to buy a Rolls 7 Royce at K-Mart? 8 A. Not a law -- 9 MR. MATTHEWS: Objection. For the 10 record, it should be. 11 MR. COLEMAN: But then they can close 12 for the rest of the day. I think you can 13 buy one on eBay, by the way. 14 Q. You make reference there to the -- a 15 \$5.23 million judgment that Australian Gold 16 obtained. Is that the Hatfield case? 17 A. Yes. 18 Q. The Hatfields actually were purchasing 19 directly from distributors, weren't they? 20 A. I don't know everywhere they were 21 buying from. 22 Q. I wasn't -- didn't ask you that. 23 They did actually buy directly from 24 distributors, didn't they? 25 A. Yes. But they also -- I know Tan</p>	<p>122 1 MR. MATTHEWS: You might want to 2 rephrase that. You said against Australian 3 Gold. Unless she wants to sue herself. 4 Q. Was it your intention to -- to file a 5 lawsuit against my clients, in short order, 6 if the demands in this letter were not met? 7 A. We were prepared, yes. 8 Q. What were you -- did you actually 9 intend to do it? I'm sure with this able 10 legal team at your disposal, you're always 11 prepared, but were you -- or had you made 12 the decision at the time this letter went 13 out that absent a satisfactory response there 14 would be a lawsuit? 15 MR. MATTHEWS: I'm -- I'm going to 16 object to the extent that her decision 17 involved att -- attorney-client privileged 18 communications. Instruct her not to answer 19 with respect to the advice she received from 20 us. If she can do that without doing -- 21 MR. COLEMAN: Right. 22 MR. MATTHEWS: -- so, she can answer 23 the question. 24 Q. You -- you being the executive -- who 25 decides whether or not a lawsuit is filed by</p>
<p>123 1 Company was contacted by them. That's a 2 salon. So I don't know everywhere they 3 purchased from. 4 Q. On the bottom of -- of the first 5 page, it says, "If you choose to ignore this 6 letter, Australian Gold, Inc. will take 7 action against you and seek actual and 8 punitive damages as well as a permanent 9 injunction against you and enjoining you from 10 selling our products on eBay or Internet Web 11 sites." Do you have any reason to believe 12 that my client was selling merchandise on 13 eBay? 14 A. I believe it's a general statement. 15 Q. Fair enough. And where it says in 16 the last paragraph in the last sentence, 17 "Otherwise, we will look forward to 18 discovering the scope of your business 19 through depositions and discovery in the 20 lawsuit that we will file against you." It 21 does say that, right? 22 A. Yes. 23 Q. Was it your intention to file a 24 lawsuit against Australian Gold, in short 25 order, if your demands were not met?</p>	<p>124 1 Australian Gold? 2 A. Ultimately me. 3 Q. Have you made the decision whether or 4 not a lawsuit would be -- and this is a yes 5 or no question. It could be no. Had you 6 made the decision whether or not there would 7 be a lawsuit when this -- if these -- the 8 demands in this letter were not met? 9 A. It's probable. I don't recall the 10 date, but, yes, it's probable. 11 Q. Would you have written it if you 12 didn't mean it? 13 A. It was probable. I mean, I can't 14 recall that date specifically, but probably. 15 Q. Was it your practice to make -- is it 16 your practice to bluff? 17 A. No, we've been in lawsuits before, 18 but. 19 Q. So if you wrote it -- does it -- does 20 that refresh your recollection that since you 21 do not bluff and since you did write it that 22 you must have meant it? 23 A. Did I -- I mean, the lawsuit is very 24 entailed, so -- 25 Q. So you don't remember?</p>

<p>126</p> <p>1 A. I'm just saying -- you asked if on</p> <p>2 that date it was my intention to file a</p> <p>3 lawsuit and I'm saying it's probable, but I</p> <p>4 don't know that I sat down with a lawyer and</p> <p>5 said I'm going to file a lawsuit today.</p> <p>6 Q. Well, you signed it on that day,</p> <p>7 right?</p> <p>8 A. Right.</p> <p>9 Q. So can we assume that everything that</p> <p>10 appears above your signature is sincere?</p> <p>11 A. You can assume so.</p> <p>12 MR. COLEMAN: Exhibit 12.</p> <p>13 (The Court Reporter marked a document</p> <p>14 for identification as Exhibit No. 12.)</p> <p>15 Q. Did you have a chance to look at it?</p> <p>16 Do you know what Exhibit 12 is?</p> <p>17 (Witness peruses document.)</p> <p>18 A. Yes.</p> <p>19 Q. In fact, this is Australian Gold's</p> <p>20 amended answer, defenses in this litigation.</p> <p>21 Did you review this before it was filed?</p> <p>22 A. Yes.</p> <p>23 Q. Let's go to page 5. I'll just note</p> <p>24 for the record that this is -- the style of</p> <p>25 -- of the way this pleading was prepared was</p>	<p>128</p> <p>1 first of all, what the re -- what the</p> <p>2 remaining allegations are referred to in the</p> <p>3 second half of that answer?</p> <p>4 A. I don't believe I asked for a</p> <p>5 definition, no.</p> <p>6 Q. Okay. So that makes you and me both.</p> <p>7 Let's go to Australian Gold denies. Is it</p> <p>8 -- this seems to be consistent with your</p> <p>9 earlier testimony that the volume of business</p> <p>10 was the basis for Australian Gold's belief</p> <p>11 that plaintiff purchased its products from a</p> <p>12 retail tanning salon. Would you say that's</p> <p>13 correct?</p> <p>14 A. Volume --</p> <p>15 Q. Oh, this refers --</p> <p>16 A. Assortment, yes.</p> <p>17 Q. Yes. Also this refer -- that's what</p> <p>18 I find a little bit interesting because in</p> <p>19 your testimony you told me that what struck</p> <p>20 you was the assortment that that -- that</p> <p>21 they carried the full line, and this seems</p> <p>22 to go to the -- to the volume of business</p> <p>23 done. Are they both correct as to what your</p> <p>24 understanding was before we got into</p> <p>25 discovery in this case?</p>
<p>127</p> <p>1 that both the allegation and the answer to</p> <p>2 the allegation is printed conveniently on</p> <p>3 each page of the answer. So it says</p> <p>4 regarding Allegation 15, which was from our</p> <p>5 complaint, "All the Tanning Products sold by</p> <p>6 plaintiff at the supplenet.com Web site are</p> <p>7 purchased by the plaintiff at retail tanning</p> <p>8 lotion" -- "retail tanning salons." And just</p> <p>9 because we haven't mentioned it before at</p> <p>10 this deposition, this Supplenet.com is the</p> <p>11 name of the Web site where our client does</p> <p>12 business, that's correct, right, as far as</p> <p>13 you understand it, Supplenet.com?</p> <p>14 A. One of them, yes.</p> <p>15 Q. So the answer is "Australian Gold</p> <p>16 denies that plaintiff purchases its products</p> <p>17 from a retail tanning salon based upon</p> <p>18 plaintiff's volume of business, but is</p> <p>19 without sufficient information or knowledge</p> <p>20 as to the remaining allegations contained in</p> <p>21 paragraph 15 of the Complaint and therefore</p> <p>22 denies the same."</p> <p>23 Now, I understand that this is lawyer</p> <p>24 talk, but do you have any understanding</p> <p>25 having looked this over before it was filed,</p>	<p>129</p> <p>1 Was it both the volume and the</p> <p>2 variety or -- or is it one -- is either your</p> <p>3 -- your recollection maybe not quite -- does</p> <p>4 this in anyway refresh your -- your</p> <p>5 understanding of -- of what it was that made</p> <p>6 you confident enough to deny this allegation</p> <p>7 in paragraph 15?</p> <p>8 A. Can you read it one more time?</p> <p>9 Q. No. I'll just rephrase it. It's a</p> <p>10 stinky question.</p> <p>11 Was it the volume of sales or was it</p> <p>12 the variety of Australian Gold products</p> <p>13 available on the Supplenet.com Web site that</p> <p>14 made you believe that my clients could not</p> <p>15 have been purchasing their product from</p> <p>16 tanning salons?</p> <p>17 A. The vari -- I mean, the -- the</p> <p>18 variety, the number of products is part of</p> <p>19 the volume of the products. It's a huge</p> <p>20 amount. I mean, that's -- that is --</p> <p>21 Q. Okay. So --</p> <p>22 A. -- distributor catalog.</p> <p>23 Q. So you didn't really know how much</p> <p>24 product was really being sold?</p> <p>25 A. Right.</p>

<p>130</p> <p>1 Q. So it couldn't have been the volume</p> <p>2 in terms of warehouses full; in fact, you</p> <p>3 didn't know whether any actual sales at all</p> <p>4 were taking place on -- on the Supplenet.com,</p> <p>5 did you?</p> <p>6 A. No.</p> <p>7 Q. Were there other that's -- were there</p> <p>8 investigations that were being done -- I'm</p> <p>9 not -- I'm not interested in anything that</p> <p>10 was being done under the auspices of Ice</p> <p>11 Miller, but -- but outside of the sphere of</p> <p>12 the legal team, was your company</p> <p>13 investigating trying to find out whether or</p> <p>14 not there were -- whom -- whom my clients</p> <p>15 were buying from?</p> <p>16 A. Yes.</p> <p>17 Q. Do you remember what that</p> <p>18 investigation entailed?</p> <p>19 A. We contacted distributors and looked</p> <p>20 for sales in different zip codes. We may</p> <p>21 have asked directly. I don't know each</p> <p>22 individual thing. We may have asked directly</p> <p>23 if they were selling to them.</p> <p>24 Q. In fact, didn't you send out a</p> <p>25 memorandum or a letter to the distributors</p>	<p>132</p> <p>1 A. I don't recall. Again, I wasn't</p> <p>2 personally involved in this.</p> <p>3 Q. Okay. Back to Exhibit 12.</p> <p>4 MR. COLEMAN: We'll -- I think we'll</p> <p>5 break in five minutes as planned.</p> <p>6 MR. MATTHEWS: We can.</p> <p>7 MR. COLEMAN: Actually, why don't we</p> <p>8 break now?</p> <p>9 (A lunch break was taken at this</p> <p>10 time.)</p> <p>11 MR. COLEMAN: Okay. Back on.</p> <p>12 Q. Okay. Now, just to kind of finish</p> <p>13 off where we were. Even though -- I'll</p> <p>14 represent to you that there are no fewer</p> <p>15 than three times in the answer where</p> <p>16 Australian Gold denies a claim by -- by my</p> <p>17 client that Australian -- that -- that my</p> <p>18 client purchases all his products from</p> <p>19 tanning salons, isn't it true that as of</p> <p>20 right now your -- Australian Gold does not</p> <p>21 know the suppliers -- it does not know the</p> <p>22 source from -- for SuppleNet's products?</p> <p>23 A. Yes, we've not been told their</p> <p>24 sources.</p> <p>25 Q. You've never been told. What -- if</p>
<p>131</p> <p>1 targeting this area --</p> <p>2 A. Uh-huh.</p> <p>3 Q. -- specifically asking them whether</p> <p>4 or not they had sold to the SuppleNet or --</p> <p>5 or Body Source?</p> <p>6 A. Yes.</p> <p>7 MR. COLEMAN: Exhibit 12.</p> <p>8 MR. MATTHEWS: 13.</p> <p>9 MR. COLEMAN: I'm sorry.</p> <p>10 (The Court Reporter marked a document</p> <p>11 for identification as Exhibit No. 13.)</p> <p>12 Q. Have you seen Exhibit 12 before?</p> <p>13 A. Yes.</p> <p>14 THE COURT REPORTER: 13.</p> <p>15 MR. COLEMAN: I'm sorry. 13 it is.</p> <p>16 THE WITNESS: 13.</p> <p>17 Q. Did you get cooperation from the</p> <p>18 distributors that received this letter?</p> <p>19 A. I believe so, yes.</p> <p>20 Q. This is AG0008380 through 83.</p> <p>21 Haven't been consistent throughout the</p> <p>22 deposition with that.</p> <p>23 Did any of the responses indicate in</p> <p>24 March 2004 that any of your distributors had,</p> <p>25 in fact, been selling to Body Source?</p>	<p>133</p> <p>1 you found out what those sources were, what</p> <p>2 would happen? What would you do?</p> <p>3 MR. MATTHEWS: Objection. It calls</p> <p>4 for speculation.</p> <p>5 Q. You can answer.</p> <p>6 MR. MATTHEWS: Depends on who it is.</p> <p>7 I'm sorry. I don't mean to testify, Ron.</p> <p>8 Q. Assuming it's not the Hatfields or</p> <p>9 the McCoys.</p> <p>10 A. Generally, if a situation would come</p> <p>11 up, we would make them aware of our contract</p> <p>12 and agreements and make sure that they're</p> <p>13 aware that now they are selling to someone</p> <p>14 that's reselling, because maybe they don't</p> <p>15 know. Maybe they're being -- I mean,</p> <p>16 there's a lot of people that lie out there,</p> <p>17 so we don't what's being told when they're</p> <p>18 buying their products.</p> <p>19 Q. Would you tell the tanning salon that</p> <p>20 if they continue to sell to Internet reseller</p> <p>21 that you would instruct the distributor to</p> <p>22 stop selling to the reseller -- or stop --</p> <p>23 stop selling to the salon?</p> <p>24 A. We could.</p> <p>25 Q. Have you every done that?</p>

<p>1 A. It's an option.</p> <p>2 Q. Have you ever done that?</p> <p>3 A. I don't believe there's been a</p> <p>4 situation where we told a distributor to stop</p> <p>5 selling to a salon, no.</p> <p>6 Q. Now I'd like you to please take a</p> <p>7 look at paragraph -- page 17 of Exhibit 12</p> <p>8 and look at paragraph 10. It says, "Upon</p> <p>9 information and belief, S&L Vitamins, and/or</p> <p>10 its owners, own, operate, control, manage or</p> <p>11 represent at least one retail tanning salon."</p> <p>12 Do you have any proof that this allegation</p> <p>13 is true?</p> <p>14 A. Is true? I don't know.</p> <p>15 Q. What was it that made -- made</p> <p>16 Australian Gold believe this -- when this</p> <p>17 pleading was filed?</p> <p>18 MR. MATTHEWS: I'm just going to</p> <p>19 object for the record. This is a pleading</p> <p>20 drafted by counsel, not signed by the</p> <p>21 deponent or Australian Gold, and upon</p> <p>22 information and belief is a proper way to</p> <p>23 allege. Also -- and moreover, the fact that</p> <p>24 I'm under a protective order and can't</p> <p>25 disclose these -- the names of these alleged</p>	<p>1 authorize such a method of distribution -- or</p> <p>2 sale, rather, to the end user?</p> <p>3 A. -- going to a salon.</p> <p>4 Q. Is your answer that that if it were</p> <p>5 in a salon that it -- it might consider</p> <p>6 authorizing such a method of sale?</p> <p>7 A. Yes.</p> <p>8 Q. Have you ever heard of something</p> <p>9 called a do-not-sell list?</p> <p>10 A. Yes.</p> <p>11 Q. What's the do-not-sell list?</p> <p>12 A. It's a list of mainly distributors,</p> <p>13 Internet -- unauthorized Internet or</p> <p>14 unauthorized distributors in general who</p> <p>15 either had a conflict of interest or the --</p> <p>16 not uphold the spirit of our agreement.</p> <p>17 Q. I'm sorry. They either -- what was</p> <p>18 the first thing or the two things?</p> <p>19 A. They're either distributors who aren't</p> <p>20 authorized to distribute our products or</p> <p>21 Internet flea markets, beauty shops -- or,</p> <p>22 yeah, beauty supply stores that don't have</p> <p>23 tanning in general is what it is.</p> <p>24 Q. Who gets the do-not-sell list?</p> <p>25 A. Our distributor network.</p>
<p>1 tanning salons really prohibits my client</p> <p>2 from commenting on this, but you can answer.</p> <p>3 Q. Nah, don't answer it. He's -- he's</p> <p>4 taken so much of the stuffing out of an</p> <p>5 answer you can give me, it's going to be</p> <p>6 worthless. I -- I know the answer anyway.</p> <p>7 I don't know. Okay, let's move on.</p> <p>8 MR. COLEMAN: Off the record for a</p> <p>9 second.</p> <p>10 (A discussion was held off the record</p> <p>11 at this time.)</p> <p>12 MR. COLEMAN: Let's go back on,</p> <p>13 please. Exhibit 14.</p> <p>14 (The Court Reporter marked a document</p> <p>15 for identification as Exhibit No. 14.)</p> <p>16 Q. Have you ever seen the Web site --</p> <p>17 I'm going to represent to you that Exhibit</p> <p>18 14 is a screen -- screen shot from a Web</p> <p>19 site called vendatan.com, one word,</p> <p>20 vendatan.com. Have you ever seen</p> <p>21 vendatan.com?</p> <p>22 A. No, I've never been to it.</p> <p>23 Q. Would you -- would you authorize the</p> <p>24 sale of Australian Gold products through a</p> <p>25 vending machine? Would Australian Gold</p>	<p>1 Q. Does it go outside the distributor</p> <p>2 network, to your knowledge?</p> <p>3 A. Not really.</p> <p>4 Q. Do you ever share do-not-sell</p> <p>5 information with the -- the identities of</p> <p>6 firms identified as do-not-sell companies</p> <p>7 with your competitors?</p> <p>8 A. Absolutely not.</p> <p>9 Q. Do you consider Web sites like the</p> <p>10 SuppleNet to be competitors with your</p> <p>11 distributors -- or competitors of your</p> <p>12 distributors?</p> <p>13 A. Of our distributors, no.</p> <p>14 Q. Why is that? Don't they sell the</p> <p>15 same product?</p> <p>16 A. But they don't offer the same</p> <p>17 services, so salons wouldn't necessarily buy</p> <p>18 for that. They'd lose too many benefits.</p> <p>19 Q. Those benefits would be again what?</p> <p>20 A. Co-op advertising benefits, SPIFFs,</p> <p>21 different programs we offer, training</p> <p>22 programs, our premier partnership programs.</p> <p>23 Q. Do you have -- have any reason to</p> <p>24 believe that plaintiff in this case has ever</p> <p>25 concealed its identity from any person that</p>

<p>138</p> <p>1 it bought products from?</p> <p>2 A. I don't know who they bought products</p> <p>3 from, so I couldn't answer that.</p> <p>4 Q. Do you have any reason to believe</p> <p>5 that the plaintiff in this case has ever</p> <p>6 claimed to own a tanning salon?</p> <p>7 A. Not that I'm aware of.</p> <p>8 Q. Do you believe that as a result of</p> <p>9 the activities of the plaintiff in this case,</p> <p>10 including the ones that are alleged in the</p> <p>11 counterclaims -- you know what a counterclaim</p> <p>12 is, right?</p> <p>13 A. Yes.</p> <p>14 Q. -- that the revenue of Australian</p> <p>15 Gold has been reduced from what it otherwise</p> <p>16 would have been?</p> <p>17 THE WITNESS: Can you read that back?</p> <p>18 (The Court Reporter read back the</p> <p>19 last preceding question, as set forth herein</p> <p>20 above.)</p> <p>21 A. I specifically know there are</p> <p>22 customers of ours that we have -- either had</p> <p>23 to give special discounts or different</p> <p>24 rebates or things to because of sales on the</p> <p>25 Internet. I don't know specifically that</p>	<p>140</p> <p>1 merchandise sold on the Internet costs less</p> <p>2 than the price from the distributors?</p> <p>3 A. Not from the distributors, no.</p> <p>4 Q. The distributors are able to match</p> <p>5 the prices charged by -- by Internet sellers?</p> <p>6 A. Distributors don't sell to end</p> <p>7 consumers.</p> <p>8 Q. I'm sorry. I mean, to the tanning --</p> <p>9 to the clients that -- I mean, to the</p> <p>10 customers, to -- to your cus -- to the</p> <p>11 tanning salons. We should probably never use</p> <p>12 the word "customers."</p> <p>13 MR. MATTHEWS: I'm confused on the</p> <p>14 question. Just --</p> <p>15 Q. All right. Is it the case that</p> <p>16 you've had to make special consideration for</p> <p>17 certain tanning salons because your</p> <p>18 distributors could not match the prices</p> <p>19 available from Internet sellers?</p> <p>20 A. No. The distributors are not</p> <p>21 involved in that.</p> <p>22 Q. Then -- then -- I'm sorry. I must</p> <p>23 not be following why you had to give special</p> <p>24 discounts. The people -- people are coming</p> <p>25 into the tanning salons and complaining about</p>
<p>139</p> <p>1 they bought from your client or --</p> <p>2 Q. Why would customers be entitled to --</p> <p>3 to discounts or other consideration?</p> <p>4 A. Why would we do that?</p> <p>5 Q. Yeah.</p> <p>6 A. Because of our integrity, our</p> <p>7 reputation. We told them that we would</p> <p>8 protect this marketing channel for them and</p> <p>9 provide the professional steps throughout the</p> <p>10 marketing channel, and when they're</p> <p>11 embarrassed and, you know, don't know how to</p> <p>12 deal with customers that come in that</p> <p>13 purchased a lotion on the Internet for \$10</p> <p>14 less than what they were selling it for, we</p> <p>15 have to help them how we have to.</p> <p>16 Q. When you say "customers," do you mean</p> <p>17 tanning salons?</p> <p>18 A. Tanning salons, yes.</p> <p>19 Q. So is that because Internet sales --</p> <p>20 or rather Australian Gold merchandise sold on</p> <p>21 the in -- on the Internet costs less than</p> <p>22 that distri -- that sold by the distributors?</p> <p>23 A. Pardon me?</p> <p>24 Q. Is that because the -- the</p> <p>25 merchandise -- the Australian Gold</p>	<p>141</p> <p>1 the pricing, correct?</p> <p>2 A. Or complaining -- yes.</p> <p>3 Q. They're saying why should I buy --</p> <p>4 for example, why should I pay \$66 for this?</p> <p>5 I can get it on eBay for \$18 plus 5.95</p> <p>6 shipping. Is that the sort of conversation</p> <p>7 that your tanning salons are reporting to</p> <p>8 you?</p> <p>9 A. Yes.</p> <p>10 Q. So does that mean that -- so -- so</p> <p>11 have you responded to that by selling</p> <p>12 directly to tanning salons?</p> <p>13 A. No.</p> <p>14 Q. Have you responded to that by</p> <p>15 directing your distributors to give a better</p> <p>16 price to these complaining tanning salons?</p> <p>17 A. We work with each individual</p> <p>18 situation separately.</p> <p>19 Q. How -- what -- what are examples of</p> <p>20 the individual kind of work that you do with</p> <p>21 these individuals?</p> <p>22 A. We have had to do special co-op</p> <p>23 programs with them, special partnering</p> <p>24 programs with them, promotions, spend a lot</p> <p>25 of our time talking to them and trying to</p>

<p>142</p> <p>1 make them understand that we're doing the 2 best we can and there's not another line out 3 there doing what we do. 4 Q. When did the Internet problem, the 5 sale -- the unauthorized sale of -- of 6 Australian Gold products on the Internet come 7 to Australian Gold's attention as a 8 phenomenon, as an -- as an issue? 9 A. I would just be guessing backwards, 10 but probably around 2000, 2001 it came to a 11 head, I would guess. 12 Q. Has the Internet problem -- let's 13 just call it that -- to your knowledge, as a 14 whole resulted in -- has the Internet problem 15 caused Australian Gold to lose sales? 16 A. Yes. 17 Q. You believe that by consumers -- is 18 it your belief that because consumers can 19 purchase Australian Gold merchandise for less 20 on the Internet than they can buy from a 21 tanning salon that fewer units are being 22 sold? 23 A. I believe that we have lost customer 24 salons or did not get business from salons 25 because of them seeing our products on the</p>	<p>144</p> <p>1 this out there, you're not doing anything 2 about it is horrible for them. I mean, 3 these people are businessmen and women. 4 Q. Are people bringing them counterfeit 5 merchandise? Is that why they're 6 complaining? 7 A. There have been instances where we 8 received counterfeit product, yes. 9 Q. Can you give us the name of a -- of 10 a salon that ceased to be a customer because 11 of a counterfeiting issue or a damage -- 12 A. Counter -- not counter -- not 13 counterfeiting. 14 Q. Not counterfeiting. So are you 15 really saying that -- when you say 16 "integrity" -- that tanning salons are not 17 interested in -- in buying a product that 18 can be bought -- that they can't sell at a 19 price that's competitive with the Internet 20 price? 21 A. They can sell at a price that's 22 competitive with the Internet price. I 23 don't -- 24 Q. They can? 25 A. But -- yes, but it affects -- I mean,</p>
<p>143</p> <p>1 Internet. 2 Q. So that would qualify as perha -- 3 would -- would that qualify as a loss 4 suffered by the salons? 5 A. Suffered by us. They can pick up 6 another line or Australian Gold itself. 7 Q. Why are these salons no longer 8 customers of your distributors, though? 9 A. They may be. The distributors carry 10 a variety of products. 11 Q. Okay. But -- okay. You say you lo 12 -- when you say you lost salons, what does 13 that mean? They're no longer selling AG 14 products? 15 A. There are some that aren't, yes, and 16 there are some that aren't selling all the 17 line. 18 Q. And is -- and is that because they 19 can't compete with the Internet pricing? 20 MR. MATTHEWS: Objection to the form. 21 You can answer, if you can. 22 A. They can compete -- I assume they can 23 compete because I don't care what they sell 24 a product for, but they -- the reputation, 25 their integrity, having to deal with I found</p>	<p>145</p> <p>1 their overhead is a lot more than somebody 2 that's selling it over the Internet, so. 3 Q. In other words, they -- they could -- 4 as a loss leader perhaps, they could still 5 sell it, because they -- they're still able 6 to get it cheaply enough from distributors 7 that would be -- that they could match the 8 Internet price, but they're not interested in 9 doing that? 10 A. Some would be. Sometimes it's after 11 the fact. 12 Q. Without your necessarily knowing how 13 much Australian Gold merchandise is sold by 14 Supplenet.com, doesn't it strike you as -- at 15 least possible that because customers are 16 able to buy the product for less that you 17 might actually be selling more of the 18 product? 19 A. Does it strike -- it's possible, yes, 20 but it's not the business model we choose to 21 distribute our products, so we're willing to 22 lose that. 23 Q. That's understood. You're willing to 24 lose that additional -- those additional 25 sales in order to maintain the integrity of</p>

<p>146</p> <p>1 your business model?</p> <p>2 A. Yes.</p> <p>3 Q. Can you -- can you quantify in any</p> <p>4 way the financial value of this -- this</p> <p>5 integrity?</p> <p>6 A. What do you mean?</p> <p>7 Q. Well, this -- you -- you've made a</p> <p>8 claim for damages in your counterclaims, and</p> <p>9 if you were to prevail on those claims,</p> <p>10 then, at some point, you would have to</p> <p>11 demonstrate -- I'm sure Mr. Matthews and his</p> <p>12 colleagues have explained -- some quantum of</p> <p>13 lost sales perhaps as a measure of damages.</p> <p>14 So I'm trying to understand -- with the</p> <p>15 under -- with the understanding on my part</p> <p>16 that you are not an economics or loss</p> <p>17 profits expert, but as the executive -- as</p> <p>18 the chief executive officer of this company,</p> <p>19 do you under -- do you know how you will be</p> <p>20 able -- how you will go about demonstrating</p> <p>21 the quantity of damages resulting from this</p> <p>22 loss of integrity or this harm in the</p> <p>23 integrity factor?</p> <p>24 A. Well, first, we would find any</p> <p>25 immediate issues. There's the situation like</p>	<p>148</p> <p>1 everyone the same if they have issues.</p> <p>2 Q. Okay. So you were telling me what --</p> <p>3 how you would go about demonstrating these</p> <p>4 losses. The first thing is you would</p> <p>5 identify consideration you have to make to</p> <p>6 tanning salons. Can I ask you is there</p> <p>7 anything preventing Malibu salon from buying</p> <p>8 product on eBay less expensively perhaps than</p> <p>9 it can get it from a distributor and</p> <p>10 matching prices that way?</p> <p>11 A. We don't have a contract prohibiting</p> <p>12 anybody purchasing.</p> <p>13 Q. Nonetheless, your company just re --</p> <p>14 your company would -- would rather work with</p> <p>15 a Malibu salon and retain it as a customer</p> <p>16 than tell it go buy it on eBay. After all,</p> <p>17 you're trying to dissuade people from</p> <p>18 buying --</p> <p>19 A. We work through the distributors and</p> <p>20 do the training and the programs through the</p> <p>21 distributors. The distributors track and</p> <p>22 work with their co-op advertising, so that</p> <p>23 wouldn't be --</p> <p>24 Q. Do you know whether any actual person</p> <p>25 -- whether -- whether any person using the</p>
<p>147</p> <p>1 I just spoke with of a salon just recently</p> <p>2 who we had to create the new programs -- or</p> <p>3 not new programs, but we had to work with to</p> <p>4 get him to keep our lotion. I mean, the</p> <p>5 immediate out of his mouth was he was going</p> <p>6 to drop us --</p> <p>7 Q. How long ago was that?</p> <p>8 A. -- and he's a large --</p> <p>9 Q. I'm sorry.</p> <p>10 A. Within the last month.</p> <p>11 Q. And what's the name of that salon?</p> <p>12 MR. MATTHEWS: Again, under</p> <p>13 attorneys' eyes only.</p> <p>14 MR. COLEMAN: Yes.</p> <p>15 A. Malibu.</p> <p>16 Q. Malibu salon located in?</p> <p>17 A. Northern Indiana and southern</p> <p>18 Michigan.</p> <p>19 Q. They have more than one --</p> <p>20 A. Yes.</p> <p>21 Q. -- location?</p> <p>22 Does the fact that they have more</p> <p>23 than one location give them some leverage in</p> <p>24 approaching you for consideration?</p> <p>25 A. One salon is -- I mean, we deal with</p>	<p>149</p> <p>1 Internet has ever been confused about whether</p> <p>2 any of the Web sites operated by my client</p> <p>3 are affiliated or authorized -- affiliated</p> <p>4 with or authorized by Australian Gold?</p> <p>5 MR. MATTHEWS: I want to ob -- object</p> <p>6 right here, and I don't want to stop the</p> <p>7 deposition. In fairness, the 30(b)(6) topics</p> <p>8 which you discussed at the beginning of the</p> <p>9 deposition related to business dealings with</p> <p>10 distributors or retailers, training</p> <p>11 practices, the safety of products, financial</p> <p>12 losses and marketing, it didn't include</p> <p>13 issues such as likelihood of confusion.</p> <p>14 MR. COLEMAN: Sure they do. That's a</p> <p>15 financial loss.</p> <p>16 MR. MATTHEWS: No. Financial loss</p> <p>17 isn't talking about likelihood of confusion.</p> <p>18 The issue of likelihood of confusion has</p> <p>19 nothing to do with their --</p> <p>20 MR. COLEMAN: I'm not asking her</p> <p>21 about likelihood of confusion. I'm asking</p> <p>22 her about actual confusion which would be a</p> <p>23 financial loss.</p> <p>24 MR. MATTHEWS: That's not the</p> <p>25 question. Yes, it made me confused.</p>

<p>1 Q. Are you aware of any reports of --</p> <p>2 MR. COLEMAN: Scott, your -- you</p> <p>3 point is well taken. We can --</p> <p>4 MR. MATTHEWS: I just don't want -- I</p> <p>5 -- I know you can do it. I don't want to --</p> <p>6 I just want to have that objection there,</p> <p>7 because we've prepared her on the topics we</p> <p>8 thought and -- and we've discussed that and</p> <p>9 she prepared, but to the extent we have due</p> <p>10 diligence that we -- if you're asking I want</p> <p>11 all instances of confusion, which I assume is</p> <p>12 your next question, I don't want us to be</p> <p>13 bound by that.</p> <p>14 MR. COLEMAN: Well, again, I think</p> <p>15 we're going to have to insist --</p> <p>16 THE COURT REPORTER: I can't hear</p> <p>17 you.</p> <p>18 MR. COLEMAN: Why? Because I'm</p> <p>19 talking to the floor?</p> <p>20 THE COURT REPORTER: Yes.</p> <p>21 MR. COLEMAN: And I thought you were</p> <p>22 a pro.</p> <p>23 MR. MATTHEWS: I'm not telling her</p> <p>24 not to answer.</p> <p>25 MR. COLEMAN: No. But -- but if your</p>	<p>150</p> <p>1 A. I know personally I do. I don't -- I</p> <p>2 mean, I would assume people do.</p> <p>3 Q. What are -- okay. Well, actually</p> <p>4 you've answered that.</p> <p>5 Are you aware of the Indoor Tanning</p> <p>6 Association?</p> <p>7 A. Yes.</p> <p>8 Q. What is the Indoor Tanning</p> <p>9 Association?</p> <p>10 A. It is the trade association for</p> <p>11 indoor tanning.</p> <p>12 Q. And is Bill Pipp on the board of</p> <p>13 directors --</p> <p>14 A. Yes.</p> <p>15 Q. -- of the Indoor Tanning Association?</p> <p>16 That's a yes, correct?</p> <p>17 A. Yes.</p> <p>18 Q. Is it the only trade association for</p> <p>19 the tanning industry?</p> <p>20 A. There are other associations.</p> <p>21 Q. What are -- what are they?</p> <p>22 A. I don't know. I mean, several of</p> <p>23 them want to start their own, but there's</p> <p>24 been several attempts.</p> <p>25 Q. Is ITA the</p>
<p>151</p> <p>1 objection -- I think we do have to get to</p> <p>2 the bottom of your objection, because if --</p> <p>3 if -- if I end up having to live with it,</p> <p>4 then I'm -- then I'm going to have a problem</p> <p>5 of you being able to distance yourself from</p> <p>6 the answer.</p> <p>7 Financial losses suffered by</p> <p>8 Australian Gold as a result of plaintiff's</p> <p>9 action. I'm going to take the -- the</p> <p>10 position that actual confusion may have --</p> <p>11 may have the effect of -- of an actual</p> <p>12 financial loss.</p> <p>13 Q. Are you aware of any actual confusion</p> <p>14 that was experienced by an Internet user who</p> <p>15 came upon one of my client's Web sites and</p> <p>16 thought this must be the Australian Gold</p> <p>17 official Web site?</p> <p>18 A. Well, I don't know of anyone that's</p> <p>19 went to your Web site, so.</p> <p>20 Q. Do you have any reason to believe any</p> <p>21 consumers would have a preference as to</p> <p>22 whether they bought it from an authorized --</p> <p>23 bought the same merchandise from an</p> <p>24 authorized retailer as opposed to buying it</p> <p>25 from my client or on eBay?</p>	<p>152</p> <p>1 A. ITA's the one --</p> <p>2 Q. The one --</p> <p>3 A. -- all the major manufacturers belong</p> <p>4 to, yes.</p> <p>5 Q. Does the ITA do anything in terms of</p> <p>6 public education in terms of risks or dangers</p> <p>7 associated with tingle products?</p> <p>8 A. Not that I'm aware of.</p> <p>9 Q. How about other -- other aspects of</p> <p>10 consumer safety? Is the ITA involved in</p> <p>11 that at all?</p> <p>12 A. I believe on their Web site they have</p> <p>13 a responsibility or tanning responsibility or</p> <p>14 something to that effect.</p> <p>15 Q. Does the -- does Australian Gold</p> <p>16 contribute dues to the ITA?</p> <p>17 A. Yes.</p> <p>18 Q. Are dues the same for every member or</p> <p>19 industry leaders like Australian Gold, do</p> <p>20 they -- do they pay a larger percentage of</p> <p>21 its operating budget?</p> <p>22 A. That's a good question. I --</p> <p>23 Q. Fair enough.</p> <p>24 A. -- sign the check. I don't know --</p> <p>25 Q. It's good to be in an association.</p>

154

1 A. -- how it's determined.

2 Q. Okay. Is it fair to say that the --

3 the view of Australian Gold, is that the

4 expertise in tanning safety, is that person

5 who is the tanning salon interface, in -- in

6 other words, the person at the tanning salon

7 who serves the customer?

8 A. It's the responsibility of that

9 person, yes.

10 Q. Does Australian Gold ever consult

11 with any medical experts in -- in connection

12 with issues like tingle products or other

13 safety issues?

14 A. What do you mean by "medical

15 experts"?

16 Q. Physicians.

17 A. Prior to coming out with a product or

18 -- I mean, what --

19 Q. On an ongoing basis.

20 A. No, not generally.

21 Q. Not generally?

22 Has any governmental unit ever taken

23 an action against Australian Gold because of

24 any kind of risk or danger perceived or --

25 or real in -- with respect to its product?

155

1 A. We had the FDA issue --

2 Q. FDA --

3 A. -- that we discussed earlier.

4 Q. Right. And they -- your testimony

5 was that they review labeling?

6 A. Labeling and ingredients.

7 Q. If a consumer walks into a tanning

8 salon and requests a bottle of Australian

9 Gold tanning lotion, is there any way for

10 Australian Gold to make sure that the

11 employee at the tanning salon actually gives

12 him any instruction?

13 A. I mean, it's our goal to -- from a

14 liability standpoint to protect our --

15 ourself to train the employees to provide the

16 best education and information on the

17 products to the salon customer. There are

18 salons out there, may hire somebody new, may

19 not have -- you know, it's always possible

20 that something can happen, but we do the

21 best that we can do.

22 Q. So you really have no way of knowing

23 what they ultimately will do, do you?

24 A. Not every single salon individual.

25 Q. The majority of them, do you know

156

1 what they do?

2 A. The major chains we go to -- I mean,

3 there's a lot of salons we go to regularly.

4 There's -- locally we're more likely to go

5 to them than -- there's 20 -- over 25,000

6 salons, so we don't get to every single

7 salon --

8 Q. Do you get --

9 A. -- every six weeks.

10 Q. I'm sorry. Did -- how -- how many do

11 you get to in the course of a year?

12 A. I don't know. I have to figure that

13 out. I don't know.

14 Q. But when you visit these salons,

15 would you have any way of knowing how they

16 interact with customers when you're not

17 there?

18 A. No, we don't monitor them. We don't

19 have them on video.

20 Q. Tanning salons, there --

21 MR. COLEMAN: Withdrawn.

22 Q. Do you know if any foreign government

23 has any -- taken any regulatory or legal

24 action against Australian Gold as a result of

25 the products that are sold abroad?

157

1 A. We have had issues in Holland, yes.

2 Q. What kind of issues?

3 A. There was a quality issue with a

4 water -- type of water that was used or

5 something.

6 Q. In the -- in the product?

7 A. Eight or nine years ago.

8 Q. Did -- did -- did it have to do with

9 labeling?

10 A. We have labeling requirements for

11 Europe, yes.

12 Q. Are they different from the requi --

13 for the -- from the US requirements?

14 A. Yes.

15 Q. How are they different?

16 A. I would have to -- I don't know

17 exactly, but we work with our distributors

18 over there. We only have two distributors

19 so that we have control over making sure

20 everything is correct. They have to have

21 import agents and different things.

22 Q. Is there -- speaking of those labels,

23 are they -- are they protected by copyright

24 registration?

25 A. Yes, we do have copyrights.

<p>158</p> <p>1 Q. Who -- well, are the -- are the 2 registrations -- is there actually a -- when 3 you put out a new label, whether it's a 4 graphic or a text, is there somebody in your 5 office or do you send it over to Ice Miller 6 who makes sure that the registration -- that 7 this cop -- that the -- this new material is 8 actually registered for copyright protection? 9 A. We do some through our intellectual 10 property attorneys and then we do some 11 ourselves. Just depends. 12 Q. Have you always -- has this always 13 been the practice at Australian Gold? 14 A. We may have lapsed at times, but it's 15 been a general practice. 16 Q. Are the photographs used by 17 Australian Gold in its various promotional 18 products, are they protected by copyright 19 registrations? 20 MR. MATTHEWS: I'm just going to 21 object to the extent the answer calls for a 22 legal conclusion. 23 You can answer. 24 Q. Yeah. I mean, I don't see how it 25 possibly could. It's a yes or no question.</p>	<p>160</p> <p>1 Designer Skin about the Web site" -- meaning 2 my client's Web site -- "and whether Designer 3 Skin was taking legal action against S&L 4 Vitamins." Who from Australian Gold had that 5 conversation? 6 A. Well, it wasn't a phone conversation. 7 I think we cleared that up, right? 8 Q. Have we? 9 MR. MATTHEWS: I cleared that up to 10 David -- 11 MR. COLEMAN: Oh, you cleared that 12 up -- 13 MR. MATTHEWS: -- in a supplemental 14 request. 15 MR. COLEMAN: -- in a supplemental 16 request, okay. 17 THE WITNESS: Yeah, yeah. 18 MR. MATTHEWS: So she will clarify on 19 the record actually what occurred. 20 Q. So why don't you tell us what 21 occurred so that we can be all clear about 22 it. 23 A. We were in Germany October 28, 29, 24 the end of October, and, you know, there was 25 only a few of us that spoke English.</p>
<p>159</p> <p>1 You have a piece of paper that says 2 registered copyright or not. 3 A. The -- I mean, like on our catalog 4 it's registered copyright, but every photo, I 5 don't know if we've done that. 6 Q. Do you know what it costs to take one 7 of those pictures, one picture of one 8 product, for example? Do you have -- 9 A. I'd have to pull the budget. I don't 10 know. 11 MR. COLEMAN: Off the record, please. 12 (At this time a discussion was held 13 off the record.) 14 (The Court Reporter marked a document 15 for identification as Exhibit No. 15.) 16 Q. Let's go on to Exhibit 15 and we'll 17 just ask a few questions about the responses 18 to interrogatories, just a few. 19 On page 3 -- well, the question that 20 began on page 2 is, "Identify all 21 communications between you and any person not 22 your attorneys about the plaintiffs and all 23 the stuff that the plaintiffs do?" So I'm 24 paraphrasing. It says here, "Australian Gold 25 also had a telephone conversation with</p>	<p>161</p> <p>1 Because I -- I talked to Brad Grossman twice 2 in my whole life, once there and once five 3 years ago, so -- 4 Q. And Brad Grossman is Designer Skin? 5 A. Yes, Designer Skin. And we were just 6 talking, and as part of the conversation, we 7 were bragging about everything we're doing 8 with the Internet and we asked if he was 9 doing anything. He couldn't recall, and we 10 asked specifically about this case and he 11 couldn't recall, and that was about the 12 extent of it. It wasn't a lot of detail or 13 anything. 14 Yeah, it was -- he talked about his 15 products and that was about it. 16 Q. There is -- okay. Then let's go to 17 -- to Interrogatory No. 3, which begins on 18 page 3. Permit me -- if you find that the 19 context is just absolutely necessary, then 20 we'll go back and we'll belabor the record, 21 but at the top of page 4 where you are 22 listing the sources that support or show 23 likelihood of confusion -- now again, Mr. 24 Matthews has said likelihood of confusion is 25 a legal term, so we -- we're not asking</p>

<p>1 about likelihood of confusion here.</p> <p>2 We're asking what kinds of stuff</p> <p>3 happened and after all, you signed these</p> <p>4 interrogatories, so these are all facts that</p> <p>5 you have personal knowledge of. It says at</p> <p>6 the end that there were complaints lodged by</p> <p>7 the general public to Australian Gold</p> <p>8 concerning the sale of the products by</p> <p>9 Internet retailers. What kind of complaints</p> <p>10 were those?</p> <p>11 A. I think you handed one of them where</p> <p>12 the salon was complaining and asked -- he</p> <p>13 asked right there is it authorized, not</p> <p>14 knowing are they legitimate to sell the</p> <p>15 products or not.</p> <p>16 Q. That was a salon, correct?</p> <p>17 A. Yes.</p> <p>18 Q. Were there complaints by the gen --</p> <p>19 I'm assuming, perhaps I'm reading this</p> <p>20 incorrectly, that by the general public we're</p> <p>21 talking about not the salons which are part</p> <p>22 of the tanning community, if you will, but</p> <p>23 cust -- but end users. Are you aware of</p> <p>24 complaints by end users to Australian Gold</p> <p>25 regarding Internet sales?</p>	<p>162</p> <p>1 with them to improve their info -- knowledge</p> <p>2 on the products. We have -- you know, every</p> <p>3 time I have to get involved, that's a dime</p> <p>4 or two, you know, so it -- it adds up very</p> <p>5 quickly and --</p> <p>6 MR. COLEMAN: I'm going to ask your</p> <p>7 lawyer to supplement his discovery. We can</p> <p>8 do this in writing, but to break out that</p> <p>9 number -- I wouldn't want to ask you on --</p> <p>10 on one foot to tell me where that number</p> <p>11 came from because you don't have the numbers</p> <p>12 in front of you.</p> <p>13 But it's one and a half million</p> <p>14 dollars real money to you and me, but I</p> <p>15 would like to see -- we -- we need more</p> <p>16 information and I think we're entitled to it</p> <p>17 as to when -- when the starting period is</p> <p>18 for that one and a half million and what --</p> <p>19 what is being included in there. And we'll</p> <p>20 follow-up with a written.</p> <p>21 MR. MATTHEWS: I'd just ask you</p> <p>22 follow-up in writing.</p> <p>23 MR. COLEMAN: Yeah.</p> <p>24 MR. MATTHEWS: Ask what you want;</p> <p>25 we'll pass it on.</p> <p>164</p>
<p>1 A. We have some situations, like I</p> <p>2 spoke, where people have gotten products that</p> <p>3 were half filled or had Vaseline Intensive</p> <p>4 Care in them or things like that. So, I</p> <p>5 mean, I don't have the details in front of</p> <p>6 me, but we have had issues.</p> <p>7 Q. It says on -- in the answer to</p> <p>8 Interrogatory No. 4 and a few other places</p> <p>9 too, "Australian Gold" -- I'm going down to</p> <p>10 the fourth line from the top. "Australian</p> <p>11 Gold has spent in excess of \$1.5 million on</p> <p>12 maintaining its distribution system and</p> <p>13 training its employees, distributors and</p> <p>14 tanning salons on the proper use of its</p> <p>15 products." Did that number come from you?</p> <p>16 A. Yes, from my team.</p> <p>17 Q. Now, is \$1.5 million over the course</p> <p>18 of more than one year?</p> <p>19 A. In the last three or four years</p> <p>20 probably. I -- I would have to get the</p> <p>21 exact numbers, but we spend money on -- I</p> <p>22 mean, we have two people there. All they do</p> <p>23 is go out and train. We have a staff of</p> <p>24 eight different sales representatives that go</p> <p>25 out to salons and to distributors and work</p> <p>163</p>	<p>1 Q. Okay. Now, in paragraph 5 -- I'm</p> <p>2 sorry. On page 5, Interrogatory No. 7, the</p> <p>3 first sentence -- the question is, "Set forth</p> <p>4 in detail the damage to defendant's,</p> <p>5 'distribution system,' allegedly caused by</p> <p>6 plaintiff's conduct as described in paragraph</p> <p>7 7 of defendant's counterclaim."</p> <p>8 Answer, "The plaintiffs have</p> <p>9 undermined Australian Gold's distribution</p> <p>10 system by illegally obtaining the products</p> <p>11 from one or more authorized distributors</p> <p>12 through means which Australian Gold is still</p> <p>13 investigating."</p> <p>14 In fact, isn't it true that as of</p> <p>15 this date you still have no proof whatsoever</p> <p>16 that has ever taken place?</p> <p>17 MR. MATTHEWS: And I will object to</p> <p>18 the form of the question in light of the</p> <p>19 fact that she is only entitled to limited</p> <p>20 information and knowledge as to the suppliers</p> <p>21 and the source which your clients are getting</p> <p>22 them. Subject to that, she can answer that.</p> <p>23 MR. COLEMAN: Well --</p> <p>24 MR. MATTHEWS: Because -- because the</p> <p>25 lawyers may have proof at trial on that.</p> <p>165</p>

166

1 MR. COLEMAN: That's right.
2 MR. MATTHEWS: Okay.
3 MR. COLEMAN: I mean, you know --
4 MR. MATTHEWS: I don't want this to
5 appear in a -- in a summary judgement brief
6 that Australian Gold has no proof, and we
7 have proof and --
8 MR. COLEMAN: Well, she's certified
9 to the proof of this statement which was not
10 made upon information and belief. So I
11 assume she didn't make it unless she believed
12 it to be true.
13 Q. But now I'm asking to her whether in
14 light of what she's come to understand about
15 the facts of ground now, notwithstanding the
16 -- the -- the limitations of the protective
17 order, you -- are you aware of any
18 distributor who is one of your authorized
19 distributors from whom my clients directly
20 purchased Australian Gold products?
21 A. I don't know who your clients are
22 purchasing Australian Gold products --
23 Q. You --
24 A. -- so I can't --
25 Q. You don't know -- did you know when

167

1 you wrote this who they were buying the
2 products from?
3 A. We have some -- some thoughts of some
4 people that could or could not be. We -- we
5 believe that there's something going on. We
6 don't know the details of yet.
7 Q. But here it says the -- that the
8 plaintiffs illegally obtained the products.
9 Is it fair to say that you were overstating
10 what you really knew when you wrote that
11 answer?
12 MR. MATTHEWS: Objection to the form
13 of the question. You can answer.
14 A. I mean, all I can say is what I've
15 said before. We believe that it's coming
16 from one of our distributors because of the
17 amount of products and volume that's on the
18 -- on the Web site, and we're still looking
19 to find out who it is.
20 Q. Have you done some sort of time study
21 analysis that led you to believe that, say,
22 one man in a large vehicle driving around
23 metropolitan New York could not possibly --
24 even if he filled his days up with buying lo
25 -- tanning lotion at salons -- could not

168

1 possibly have purchased the -- the breadth of
2 tanning lotion being sold on -- on the Web
3 site?
4 A. I've not done a time study on New
5 York city.
6 Q. It's just kind of a gut -- gut sense
7 that you have?
8 A. Yes.
9 Q. Has Australian Gold ever learned of a
10 tanning salon that was simply not maintaining
11 basic safety or tanning responsibility
12 practices?
13 A. I'm not aware of that, no.
14 Q. Are there files or is there some sort
15 of centralized place where Australian Gold
16 maintains a record of its monitoring of
17 safety practices by tanning salons?
18 A. We don't have a safety practice, no.
19 We -- we do it to protect their li -- from a
20 liability standpoint, we go in and work with
21 the salons. It's not a requirement of the
22 FDA or anything else.
23 Q. Rather it's done for liability
24 purposes?
25 A. Liability, yeah, make the best for

169

1 the customers.
2 MR. COLEMAN: No further questions.
3
4 CROSS-EXAMINATION,
5 QUESTIONS BY MR. MATTHEWS:
6 Q. I have a couple very short questions
7 that I want to cla -- clarify for the
8 record.
9 I believe you were asked in direct
10 examination about contracts with retail
11 salons that Australian Gold has in place and
12 I believe Mr. Coleman asked you a question
13 were there any contracts between Australian
14 Gold and retail tanning salons which
15 prohibited the manner in which or to whom
16 the tanning salons sold products or something
17 to that effect.
18 And just so the record is clear, are
19 there any such contracts between Australian
20 Gold and -- and retail tanning salons?
21 A. We have the -- the contracts we spoke
22 about. We also have the premier salon
23 agreement that says they will sell products
24 in their salons and to their tanners -- or
25 in their salons.

<p>170</p> <p>1 Q. Okay. Is it your understanding from 2 your salon -- 3 MR. MATTHEWS: Well, strike that. 4 Q. What is your understanding of the 5 premier salon agreement and -- and what 6 restrictions, if any, it imposes upon retail 7 tanning salons? 8 A. Well, it says that it's for sale in 9 their salon, the products are for sale in 10 the salon. 11 Q. Are retail tanning salons who are 12 under a premier salon agreement permitted to 13 resell the products to persons who sell on 14 the Internet? 15 A. No, it doesn't say that they're 16 permitted to. It says the sell it in their 17 salon. 18 Q. Okay. So the answer is they're not 19 permitted to sell to those who sell on the 20 Internet? 21 A. Right. 22 MR. MATTHEWS: I have nothing 23 further. 24 MR. COLEMAN: No redirect. 25 THE WITNESS: Thanks.</p>	<p>172</p> <p>1 STATE OF INDIANA 2 SS: 3 COUNTY OF MARION 4 I, Deanne S. Hutson, a Notary Public 5 in and for said county and state, do hereby 6 certify that the deponent herein was by me 7 first duly sworn to tell the truth, the 8 whole truth and nothing but the truth in the 9 aforementioned matter; 10 That the foregoing deposition was 11 taken on behalf of the Plaintiff and Third 12 Party Defendant, that said deposition was 13 taken at the time and place heretofore 14 mentioned; 15 That said deposition was taken down 16 in stenograph notes and afterwards reduced to 17 typewriting under my direction; and that the 18 typewritten transcript is a true and accurate 19 record of the testimony given by said 20 deponent; 21 And that the deposition upon oral 22 examination was taken down in Stenograph 23 notes and afterwards reduced to typewriting 24 under my direction and thereafter presented 25 to said witness for signature;</p>
<p>171</p> <p>1 THE COURT REPORTER: Mr. Matthews, 2 would you like a copy of the transcript? 3 MR. MATTHEWS: Absolutely. 4 THE COURT REPORTER: In what -- in 5 what format? Do you want it -- 6 MR. MATTHEWS: Condensed -- 7 THE COURT REPORTER: Okay. 8 MR. MATTHEWS: -- and -- 9 MR. COLEMAN: Evaporated. 10 MR. MATTHEWS: -- evaporated -- 11 THE COURT REPORTER: Okay. 12 MR. MATTHEWS: -- and in a can. 13 THE COURT REPORTER: Copy of the 14 exhibits? 15 MR. MATTHEWS: Why don't you give me 16 an extra copy of the copied exhibits? 17 18 19 FURTHER THE DEPONENT SAITH NOT. 20 21 22 23 24 25</p>	<p>173</p> <p>1 I do further certify that I am a 2 disinterested person in this cause of action; 3 that I am not a relative or attorney of any 4 of the parties, or otherwise interested in 5 the event of this cause of action, and am 6 not in the employ of the attorneys for any 7 of the parties. 8 IN WITNESS WHEREFORE, I have hereunto 9 set my hand and affixed my notarial seal 10 this 20th day of March, 2006. 11 12 13 14 15 Deanne S. STATE OF INDIANA

SS:

COUNTY OF MARION

I, Deanne S. Hutson, a Notary Public in and for said county and state, do hereby certify that the deponent herein was by me first duly sworn to tell the truth, the whole truth and nothing but the truth in the aforementioned matter;

That the foregoing deposition was taken on behalf of the Plaintiff and Third Party Defendant, that said deposition was taken at the time and place heretofore mentioned;

That said deposition was taken down in stenograph notes and afterwards reduced to typewriting under my direction; and that the typewritten transcript is a true and accurate record of the testimony given by said deponent;

And that the deposition upon oral examination was taken down in Stenograph notes and afterwards reduced to typewriting under my direction and thereafter presented to said witness for signature;

I do further certify that I am a disinterested person in this cause of action; that I am not a relative or attorney of any of the parties, or otherwise interested in the event of this cause of action, and am not in the employ of the attorneys for any of the parties.

IN WITNESS WHEREFORE, I have hereunto set my hand and affixed my notarial seal this 20th day of March, 2006.

Deanne S. Hutson
